RE: Joint Petition for Arbitration of an Interconnection Agreement with BellSouth Telecommunications, Inc Pursuant to Section 252(b) of the Communications Act of 1934, as Amended, Tennessee Regulatory Authority Docket No. 04-00046

Dear Chairman Miller.

At the conclusion of the hearing in the above-referenced matter, Xsepdius was directed to file information today regarding merger related pricing from its acquisition of Mpower assets in Texas. This letter is requesting an extension of time (two weeks from today) to file such information. Due to the conditional settlement of Issue 94 to which this information relates, such information may be moot and its filing not necessary. A letter from BellSouth being filed today confirms such conditional settlement. If such conditional settlement of issue 94 is reached, the parties will so inform the TRA.

Sincerely,

H. LaDon Baltimore/dcg
